

Loving Families Needed

Family Continuity's Therapeutic Home Care Program is looking for loving

Therapeutic Foster Homes

to provide structure & support for children with emotional, developmental, or behavioral needs, with the ultimate goal of reuniting the children with their families.

Respite Homes

are also needed for our clients who are living full time with their families, in order to provide a safe place for the child to stay for brief periods of time on a scheduled basis & in times when the child's family is in crisis.

As a Foster or Respite Home, you will receive:

- ~ Therapeutic Training ~**
- ~ A Monetary Stipend ~**
- ~ Access to our 24-Hour Crisis Hotline ~**

Please join us in making a difference for these children & their families.
